Florida Democrat
- Senator Bill Nelson -

Those individuals wishing to apply for nomination to one of the service academies must be a citizen of the United States, a resident of the State of Florida, and must never have been married. The U.S. Military Academy, Naval Academy, and Air Force Academy require that applicants must not have reached their 23rd birthday by July 1 of the year of admission. Candidates applying to the Merchant Marine Academy must be at least 17 and have not passed their 25th birthday on July 1 of the year of admission.

Due to the large number of applicants you will be interviewed for **only** one academy. Therefore, careful consideration should be given to your choice of an academy. Academy designation may be changed any time prior to October 1, 2005.

Each senator may have five Midshipmen or Cadets at each academy at any one time. For the 2006 admission year, Senator Nelson will be able to appoint one applicant to each of the service academies. All applicants should be advised that acceptance of any appointment commits them to a nine-year obligation to the service (four years at the academy and five years of active duty).

The deadline for submission of information to the senator's office is October 1, 2005. Submissions postmarked after this date **will not** be accepted. Those individuals meeting eligibility requirements will be notified of the date, time, and place to report for a personal interview by the regional board (Fort Lauderdale, Orlando, Tallahassee, Tampa). Nine board members are selected by Senator Nelson for each of the four regions. Members consist of business and community leaders, service academy graduates, active and retired military personnel and academia.

The review board will conduct a personal interview with each applicant who meets all requirements. Selections are made competitively on the basis of academic performances, leadership potential, personal statement, extra curricular activities, personal interviews and letters of recommendation. Ten nominees for each vacancy will be recommended to Senator Nelson by the state board. Senator Nelson will review and submit these recommendations to each service academy. Ten alternates for each vacancy also will be recommended to the senator. Alternates are not submitted unless requested by the academy. The final ranking and subsequent appointments will be at the discretion of the academies.

Officials at the academies advise individuals desiring nominations to request an application from the academy at the same time they seek nomination through Senator Nelson. **Contact with the admissions office of the academy of your preference is imperative.** Once contact is established, the academy will create a file for the candidate and transmit general information on the academy along with detailed admission requirements, including a Prospective Candidate Questionnaire.

PERSONAL INTERVIEW

All applicants meeting eligibility requirements and residing in Florida will be interviewed on **November 3, 2005**, in either Fort Lauderdale, Orlando, Tallahassee or Tampa. This **compulsory** interview will be in accordance with the guidelines set forth by the Academy Selection Board. Interviews will be conducted in person and prospective applicants should plan accordingly. The personal interview is a **mandatory** element of the application process. Special arrangements can be made with dependents of active-duty military personnel who are located outside Florida.

SAT / ACT SCORES

The Scholastic Aptitude Test (SAT) and American College Testing Assessment Test (ACT) are the most important academic requirements of the academies. As a general rule, no combined score below 1080 will be considered competitive. Senator Nelson's SAT code is **0220** and ACT code is **7118**. **If they are not noted on your official academic transcript, SAT and ACT scores may be forwarded directly from the testing center to Senator Nelson's office located at 225 East Robinson Street, Suite 410, Orlando FL 32801.** Should you receive an invitation for an interview, please bring any updated test scores with you. **NOTE:** Minimum SAT and ACT scores must be met by the postmarked deadline of October 1, 2005 to be eligible for an interview with Senator Nelson's nominating board.
